

# PROUD TO BE PARKSIDE WEEKLY NEWSLETTER 26.01.24

Dear Parents,

It has been a busy week at Parkside as we have hosted our Grandparents Lunches. We welcomed grandparents and special people into school to have lunch with our children. The lunches were enjoyed by all so thank you to Andrea and our kitchen team!

Our Year Four team hosted a Multiplication Check Workshop – thank you to all those who attended. Your continued support is appreciated.

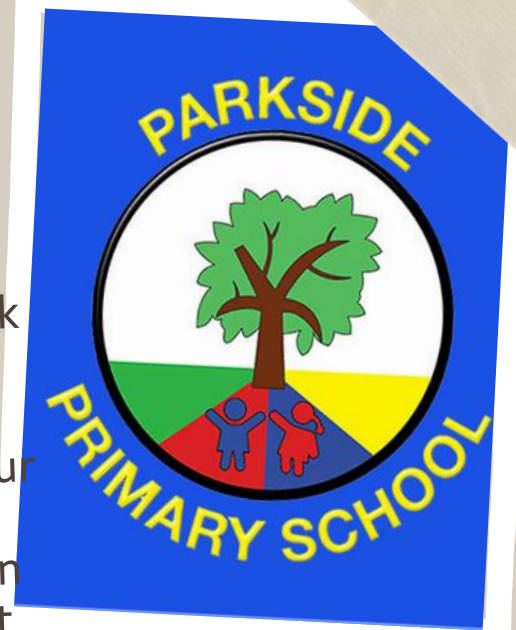

Our children have enjoyed their immersion into our two weeks of Shakespeare. The staff performed their version of Romeo and Juliet for the school on Monday. Many children have asked when the next performance is!

Have a lovely weekend.

### Sporting Stars

Over the past few weeks our children have showcased their excellent sporting skills at various competitions and opportunities for sport outside of school. Mr Tatton has been impressed by the way that the children have conducted themselves showing teamwork, determination and resilience.

Year One and Two girls took part in Wild Cats football taster session at Riverside. They all showed determination and excellent teamwork.

Year Five and Six girls continued with their girls football journey following their club in Autumn term to take part in a competition at Stafford Town Football Club. They came third in the Excel category.

"It was great fun, I used what I had learnt at girls football club and I got to spend time with my friends doing something I enjoy." Dua.

Year Six boys took part in The Utilita Kids Cup at Powerleague and were only one point from the final! Mr Tatton commended the boys on the respect that they showed the other teams.
