

# Home School Agreement

At Parkside Primary School and Little Explorers Nursery our home/school agreement is based on rights and responsibilities.

We know that successful learning can only begin to take place when all members of the school community feel safe, valued and respected. We

have six core values that underpin all we do at Parkside. These are: Independence, Pride, Resilience, Determination, Respect and Kindness.

We expect that all stakeholders buy into these values and uphold them at Parkside and in the community.
