

# PROUD TO BE PARKSIDE WEEKLY NEWSLETTER

## 13.09.24

Dear Parents,

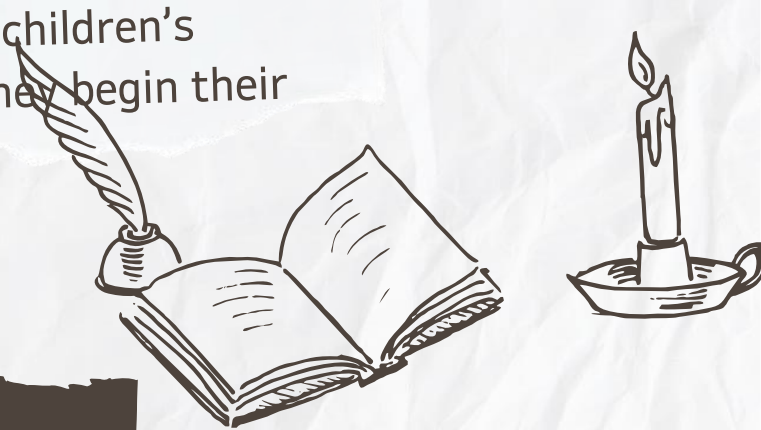

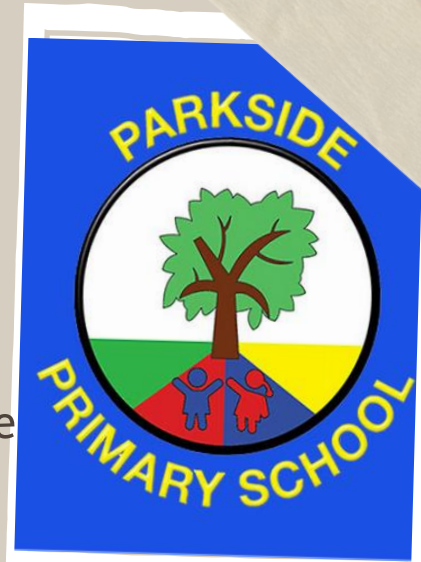

We are blown away by the children this week. Not only have they worked exceptionally hard in their learning, their behaviour has been impressive too. They are certainly living and breathing our motto, 'Proud to be Parkside.'

Thank you to all our parents who attended 'Meet The Teacher' on Tuesday. It was lovely to see so many families in school.

The children have been focusing on their PSHCE learning this week and have explored the concept, 'Me in my World.' The children have participated well and have engaged in circle times to help connect them as a class.

We look forward to seeing where the children's History learning goes next week as they begin their History block.

Have a lovely weekend,  
Mrs Salter

## Celebration of an amazing start!

**What an exciting start to the school year!**

We are thrilled to share that the children have had an absolutely amazing start back at school after the summer holidays. From the beaming smiles on their faces, to the enthusiasm in their steps, it's clear that everyone is ready to dive back into learning with renewed energy and excitement.

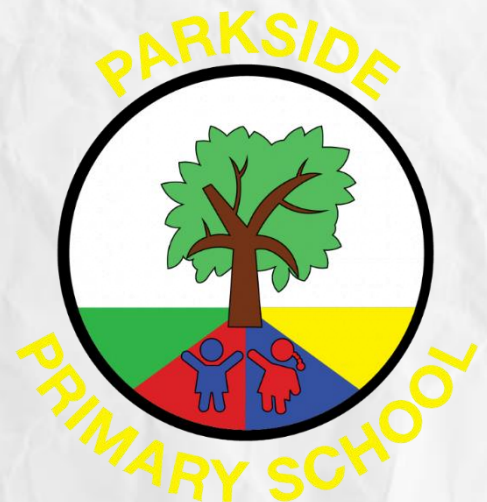

It has been wonderful to see friends reconnect and new friendships begin. The joy of reuniting with peers and meeting their new teachers has been evident.

We kicked off the year with a variety of engaging and fun activities designed to ease the children back into the school routine while sparking their curiosity. Our goal was to create an environment where learning feels inspiring from day one.

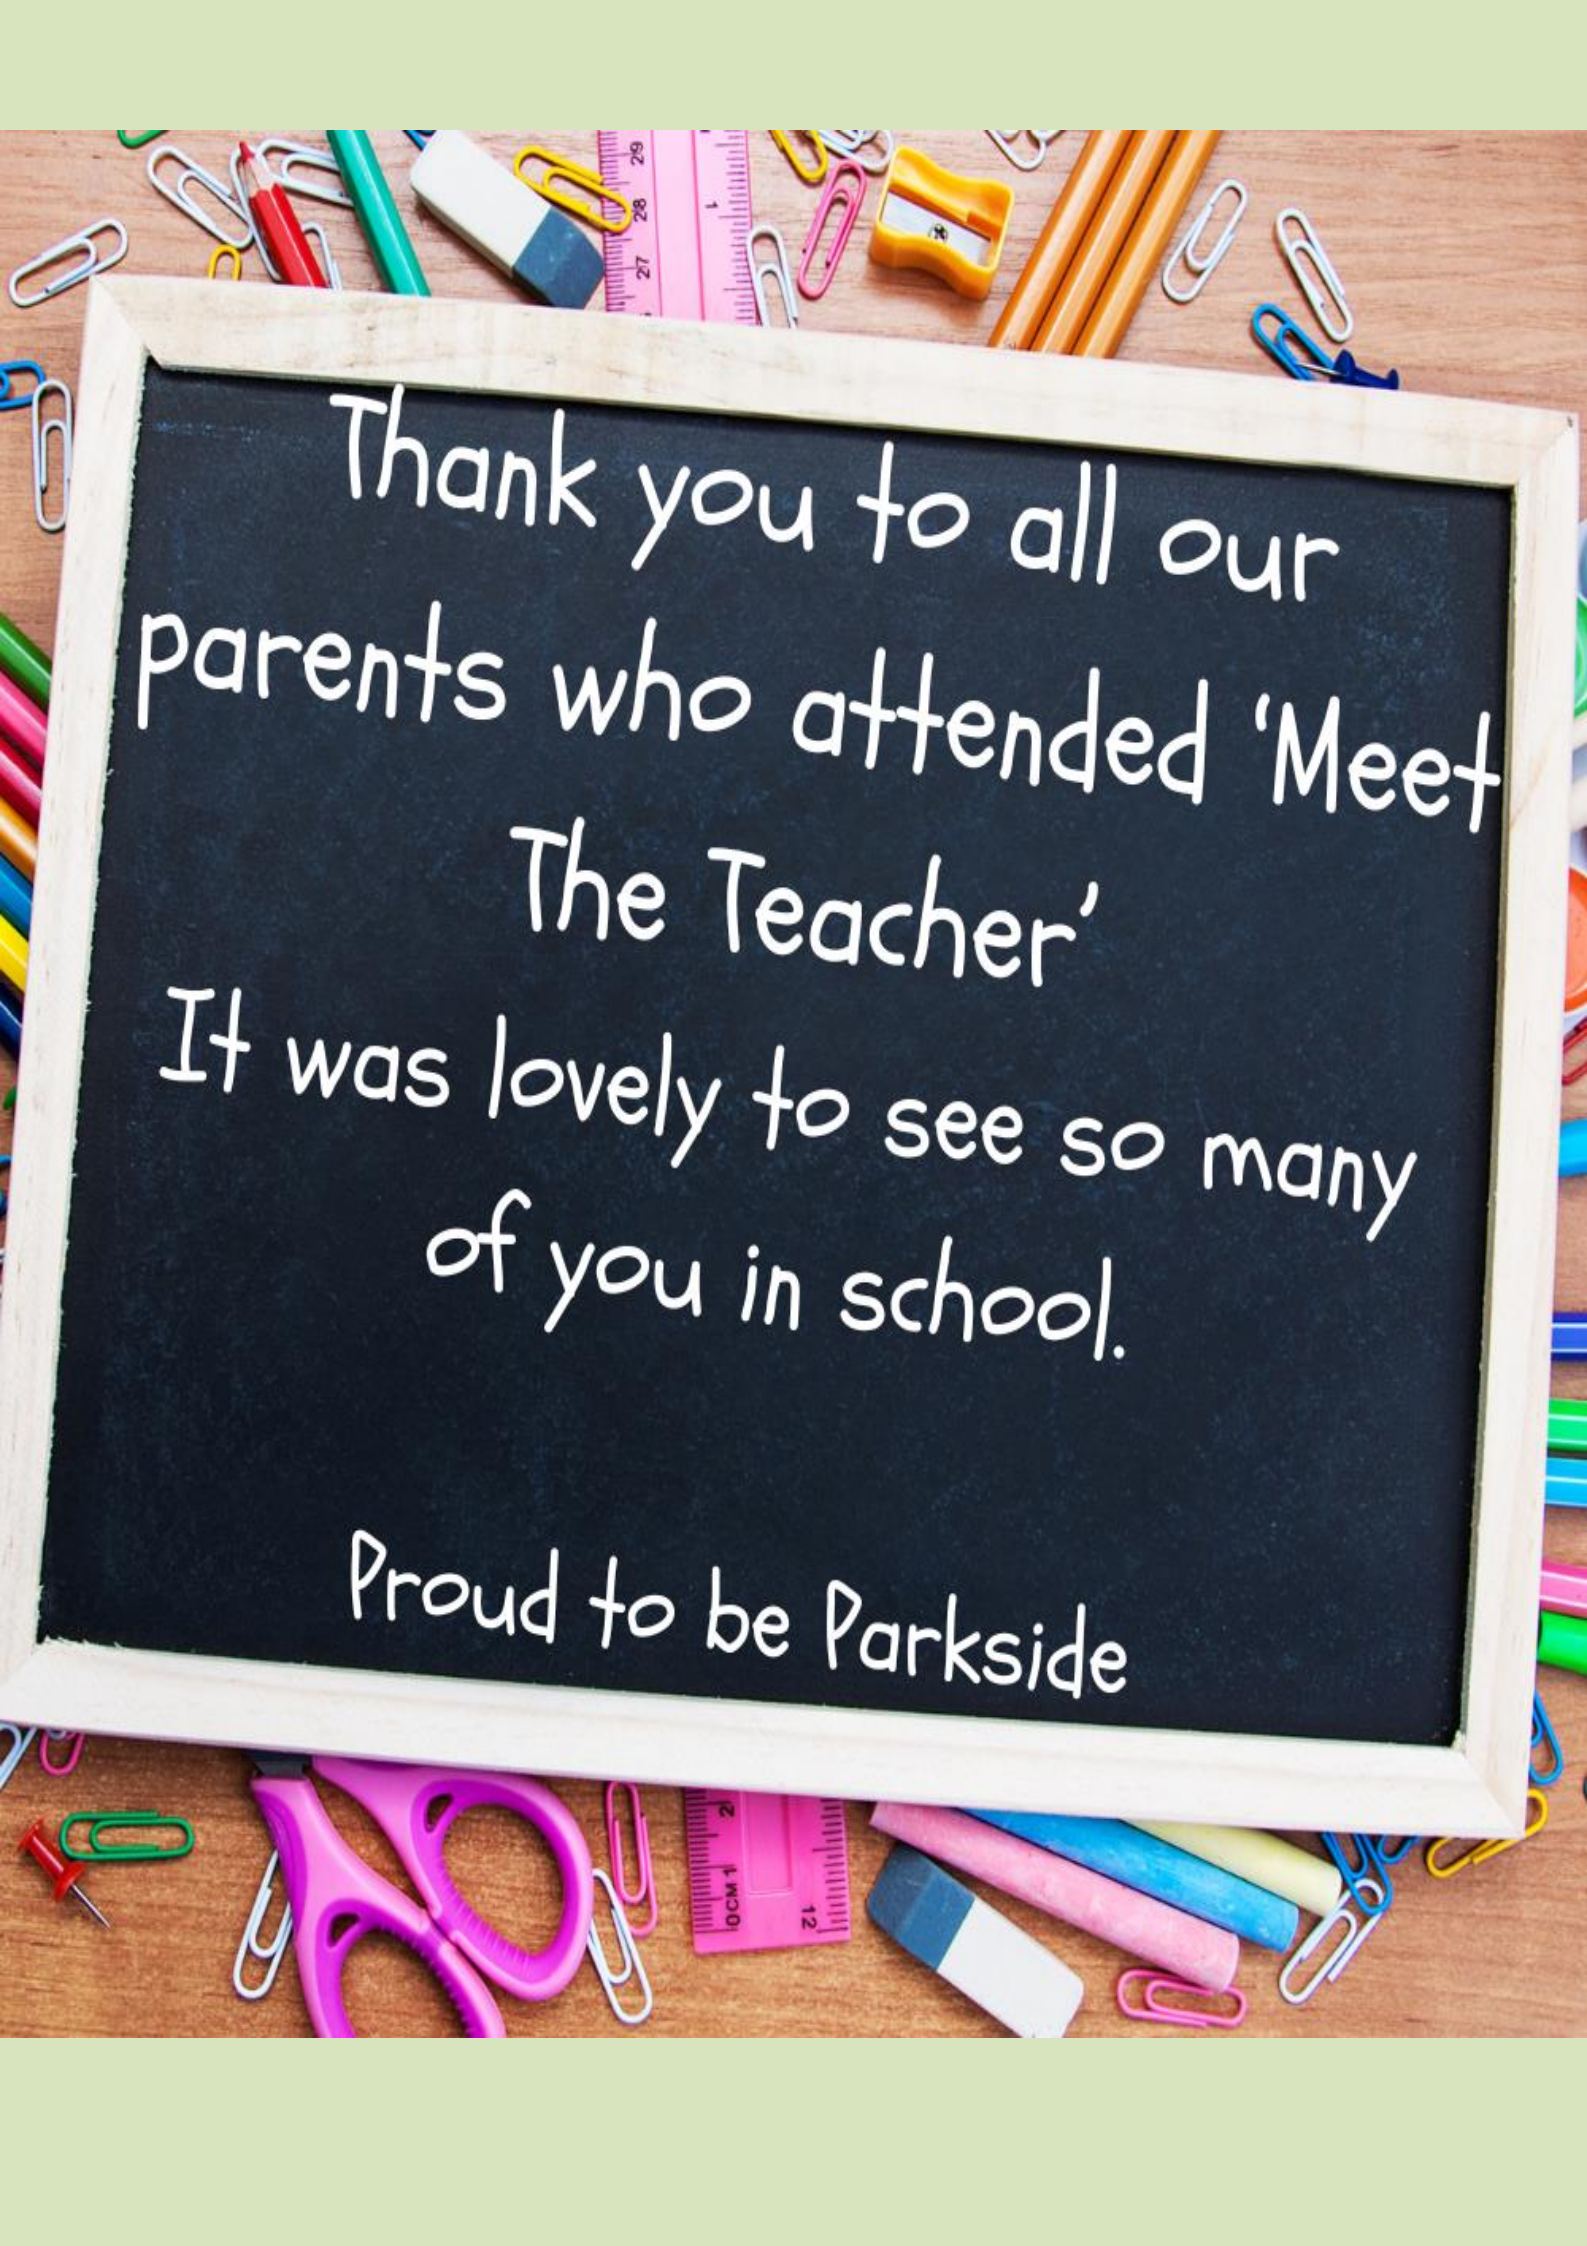

Thank you for your continued support and involvement in our school community.

Together, we can make this year an incredible journey of discovery and success for all our children.

Here's to a fantastic year ahead!

# Proud to be Parkside

A chalkboard with a wooden frame is the central focus, resting on a wooden desk. The desk is cluttered with various school supplies: a yellow pencil sharpener, several orange pencils, a pink ruler, a white eraser, and several colorful paper clips (yellow, pink, blue, silver). At the bottom of the frame, a pair of pink scissors, a pink ruler, a white eraser, and more colorful paper clips are visible. The chalkboard itself has a black surface with white chalk writing.

Thank you to all our  
parents who attended 'Meet  
The Teacher'  
It was lovely to see so many  
of you in school.
